(b) Landing and subsequently reshipping any other container on same vessel	248.36 EUR
(c) Shifting of container from one location of the vessel to another	124.18 EUR

## 2.6 Over-dimension (OD) Container Lifting Charges

This charge shall be applicable to out-of-gauge containers either over height, over width, or over length lifted on or off the ship. Upon Terminal request consignees/forwarding agents are to arrange for their own chassis or low loaders to receive the containers at the wharf side. Any OD/Damaged/Non-ISO container requiring special equipment to discharge/load will be charged at double the price of the primary container-handling tariff. Any OD/Damaged/Non-ISO container requiring special equipment (trailer chassis etc.) for the horizontal movement in the yard will also be charged at double the price of the primary container-handling tariff. Any OD containers that do not require use of special equipment will be charged at the same rate as the primary container-handling tariff for a normal container of same size.

## 2.7 Lifting Charges for Containers with Break Bulk Cargoes

The charges for handling containers with Break Bulk Cargoes are to be quoted separately by the Company. Customers are requested to send their queries to the Company's commercial and shift

management departments clearly outlining the dimensions, nature and weight of the cargo. The Company reserves the right to refuse the handling of such cargoes for safety reasons and late notices.

## 2.8 Other Charges

(a) (i) ISPS Charge – 20' Container	5.81 EUR per Full Local Container/MT Containers Free
(a) (ii) ISPS Charge – 40' or over 40' Container	8.71 EUR per Full Local Container/MT Containers Free

(l) Surcharge for Stuffing/Destuffing Overweight Containers**	343.00 EUR per container
(m) Any other activities not included in the above	POA
(n) Digital Security Fee	0.6% on the total amount of each invoice

- The Vessel Layover charge shall apply only to any vessel berthed at a Quay that does not have any loading/discharge operations. The length of quay occupied will be calculated based on the LOA of

the ship. Should any additional security or safety zone be required to ensure the safety or security of the vessel and the port, the diameter of this safety zone will be taken as the length of quay occupied and charged.

- The surcharge relates to the handling and destuffing of overweight containers to enable their safe transport by truck as per the regulations of the Department of Road Transport. The service includes moving the container to a designated area in the yard, destuffing a portion of the cargo and loading it to second vehicle utilized by the cargo owner.

### 3. **PAYMENT TERMS**

- 3.1 All invoices must be paid within 10 calendar days after date of invoice. Invoice amounts which are in dispute shall not uphold payment of the not disputed invoice amounts. EUROGATE Container Terminal Limassol Limited reserves the right to charge an interest of 4 percent per year on invoice amounts where no payment is received timely on agreed bank accounts without the necessity to send a reminder.
- 3.2 If the customer decides to pay the outstanding amount to a third party, the customer will only be discharged from the obligations, if the outstanding is received timely in full on the agreed bank account.
- 3.3 In the event of delay in payment of invoices by the customer, and without prejudice to the claim for interest, EUROGATE Container Terminal Limassol Limited shall be entitled to request a cash payment in advance for each and every subsequent containership arriving at its quay equal to the estimated billing for the port call until all the outstanding, in capital and interest, have been fully paid by the customer.
- 3.4 Unless specifically stated otherwise, all amounts payable stated in this schedule of rates are exclusive of value added tax and any other duty or tax, which shall be applied as prescribed by law.

### 4. Other:

- 4.1 The above Charges shall be subject to periodical review by EUROGATE.
